THE WILD WONDERS OF THE SNOWY MOUNTAINS ALPINE HORSEBACK SAFARIS INTO KOSCIUSZKO NATIONAL PARK

Weekly Departures from November to end of April
5 day/6 night, 4 day/5 night or 3 day/4 night

Experience the unsurpassed beauty of Kosciuszko National Park on horseback with 'Reynella Kosciusko Rides'. In operation for our thirty eighth year, the treks cover that inspired Banjo Paterson's "**The Man From Snowy River**". *Ride the land of mountain horseman, brumbies, wildflowers and Alpine wilderness. We believe there is no other holiday like it!*

Gaze from a mountain top at breathtaking Alpine scenery with its rolling plains, fresh, cool mountain streams, and carpets of wildflowers. The area unchanged by time has a wealth of nature's treasures, hidden caves and valleys and natural watering holes, just waiting to be discovered by you.

Experience the sheer delight of a dip in a crystal clear mountain stream only accessible on horseback, canter across the plains where wild bush horses roam, explore limestone caves and historic high country huts. Enjoy bush picnics, meals of-mouth watering trout, steak, and roasts cooked by camp oven, traditional damper and billy tea. At night sleep under the stars or in roomy tents contented and rested from your day in the high country.

Encounter these areas on our Alpine Horseback Safaris Into the Kosciuszko National Park:

Providence, Tantangara, Currango Creek, Long Plain, 17 Flat, Jones Plain, the Cherry Gardens, Murray Creek, Oldfields Hut, 4 Mile Creek, Broken Dam, the Kiandra Gold Fields and sections of the Cooktown to Melbourne Bicentennial National Trail. All rides are approved by the NSW National Parks & Wildlife Service within the Kosciuszko National Park Plan of Management and are supported by pack horse or 4WD.

"Ride Man from Snowy River Country"

SEPTEMBER/OCTOBER 2009

Special Homestead riding and relaxing package for adults and children (children must be accompanied by an adult).

We co-operate closely with the National Parks and Wildlife Service in ensuring that the riding areas of the National Park have completely recovered from winter; and that the plants and wildlife are given a chance to grow into spring. Accordingly, our first rides commence on 27th September, 2nd & 7th October outside the National Park in other areas of High Country. You won't be disappointed! We will be riding at the homestead and at our sister property "Coombe", which offers spectacular views of the mountains and Lake Eucumbene. Our guests will join us each night at the homestead, where they will enjoy our delicious country meals and relax around the open fire.
