## KOSCIUSZKO RIDES

**RIDE THE LEGENDARY**  
*'Man from Snowy River Country'*  
**KOSCIUSZKO NATIONAL PARK**  
**NSW AUSTRALIA**

# THERE WAS MOVEMENT AT THE STATION, FOR THE WORD HAD PASSED AROUND, THAT THE COLT FROM OLD REGRET HAD GOT AWAY, AND HAD JOINED THE WILD BUSH HORSES - HE WAS WORTH A THOUSAND POUND

Commercial horse treks through Australia's Snowy Mountains date back to the 1940's. At this time, two enterprising young mountain men, Vincent Russell and Harold Mansfield, guided adventurers

through undoubtedly some of Australia's most picturesque, inspiring and challenging country. Amongst these pioneering adventurers was John Rudd, first introduced to the mountains by his Uncle Vincent Russell on a guided trek from Kiandra to Mt Kosciuszko.

For John, this led to a lifetime affiliation with the High Country and he has continued the tradition with his wife Roslyn, guiding adventurers through the Kosciuszko National Park on horseback.

As Reynella Kosciusko Rides heads towards 30 years of trekking, it is the Rudd's special understanding of the area coupled with their experience that has established Reynella as leaders in this unique style of holiday.

## KOSCIUSZKO NATIONAL PARK

Located within the Australian Alps in Southern NSW, south of Canberra, Kosciuszko National

Park is 690,000 hectares of magnificent alpine wilderness with a history rich in legends of mountain horsemen. It is an area of unique beauty and spirit. The National Park is best discovered on horseback, and with Reynella you can visit the rolling plains, cool mountain streams, carpets of wildflowers and historic mountain huts that are all part of the Snowy

Mountains experience. Gaze from a mountain towards the high country wilderness. Canter across an alpine plain where wild bush horses roam or visit Broken Dam and the Nine Mile Diggings - an open cut gold mine where the miners used ingenious methods to find their fortunes. On a Reynella Horseback Safari you can discover for yourself what inspired Banjo Patterson to pen the famous poem "The Man from Snowy River".

## HORSEBACK ADVENTURE

On a Reynella Horseback Safari your day begins around a campfire enjoying a hearty breakfast. Then saddle up and explore the terrain on a willing horse

carefully chosen to suit your ability, whether a newcomer to the saddle or an experienced rider. With over 50 horses in the stable, John Rudd has a horse for everyone, from challenging thoroughbreds to reliable mountain steeds. Your lunch will be carried by packhorse and lunchtime may be spent on the banks of a mountain stream or at an old stockman's hut. Of course lunch is a time to relax with some tasty tucker and billy tea before riding into the afternoon. At the end of a challenging day the hypnotic spell of the campfire and the aroma of another wonderful bush meal will draw you together to share stories of the day. A trip with Reynella is truly hassle free, with riding and camping gear supplied, including roomy tents, mattresses, hard hats and all meals. Your gear will be transferred to the camp in our vehicle and sleeping bags and oilskin coats are available for hire.
